

Call for Papers:

CENTRAL EUROPEAN JOURNAL OF POLITICS, issue no. 1/2025

The Editorial Board of the journal **Central European Journal of Politics** (<https://www.cejop.cz/>) will welcome research papers for publishing in the journal's issue no. 1/2025 primarily focused on:

- **Regional elections in comparative perspective**

Recent regional elections in Poland and Hungary, as well subnational elections in some regions of Spain and Italy, or the elections to the state parliaments in Saxony and Thuringia offer different avenues for exploration. The focus can be on what they have brought for the regions themselves and the countries and what their results mean on a European scale. The journal welcomes case studies of individual elections in one country or region, as well as comparative studies on different aspects of the regional elections generally.

Deadline for submitting papers to the issue no 1/2025 is **December 31, 2024**.

Submissions should be sent to editors of the special issue:
